## Customised treatments tailored to you

### Skin Consultation - Face Mapping 30 mins/£20

Allow me to closely examine your skin and analyse its unique needs while discussing your specific concerns in detail. Using my professional expertise, I will create a tailored treatment plan and home care routine that aligns with your goals and lifestyle. This personalised approach will help you achieve the results you desire, enhancing your skin’s health and radiance.

### Dermalogica Pro Skin 30 mins/£30

This 30-minute treatment targets your skin concerns with professional exfoliation, deep serum infusion, and advanced technology like micro-current. Customised every time, it delivers fast, visible results for brighter, healthier skin

### ProSkin60 60 mins/£60

The ultimate customized, results-driven treatment tailored to your skin’s needs. It may include advanced technologies like microcurrent, ultrasound, and professional-grade actives. Each session leaves your skin radiant and glowing, with a well-being touch to elevate the experience.

### Targeted Treatments 30 mins/£30 60 mins/£60

#### ProClear

Your journey to clear skin begins here. Pore-softening techniques, extractions, and antibacterial microbiome-balancing actives work together to clear and calm congested, breakout-prone skin.

#### ProBright

Fade dark spots and reveal brighter skin Combining a brightening peel and the electrical infusion of professional-grade Vitamin C, Niacinimide and Hexyltresorcinol targeting pigmentation for a radiant glow.

#### ProCalm

Soothe and strengthen sensitive skin. Soothing botanical active provide relief while lymphatic drainage, and pressure point massage calm a stressed nervous system. This treatment hydrates, balances, and restores the skin’s natural barrier for reduced sensitivity and a calmer complexion.

### ProMultivitamin

Renew, nourish, and radiate skin. Skin resurfacing techniques used to smooth and revitalise skin while infusing multivitamins.

### ProUltimate 90 mins/£90

Only you know how you feel when you visit the salon. Customise your skin care treatment by choosing a therapy and adding extra attention where you need it most.

### La Stone Therapy 75 mins/£55

Experience the ultimate relaxation with a soothing body massage designed to melt away tension and promote overall well-being. Through a combination of gentle strokes and targeted pressure, this therapeutic treatment helps relieve muscle stiffness, improve circulation, and reduce stress. Whether you’re seeking relief from everyday tension or simply in need of a rejuvenating escape, a body massage can restore balance, leaving you feeling refreshed and relaxed.

### Thermal Auricular Therapy 45 mins/£40

Thermal Auricular Therapy, also known as ear candling, is a gentle, non-invasive treatment that uses the warmth of specially designed candles to promote relaxation and improve ear health. The gentle heat helps to stimulate circulation, relieve pressure, and clear the ear canal, encouraging the natural flow of energy within the body. This calming therapy is ideal for those seeking relief from ear congestion, sinus issues, or stress, leaving you with a sense of tranquility and refreshed well-being.

### Hair removal

Using warm wax methods in an efficient, fast and accurate way allowing the treatment to be as comfortable as possible with maximum results.

### Electrolysis 15 mins/£20.00

Electrolysis is a method of permanent hair removal that is often used in small areas. During a treatment an electric current is applied via a very fine probe (individual per client) into each hair follicle to destroy the root. With regular multiple sessions unwanted hair growth can be significantly reduced.

**A complimentary consultation prior to treatment will ensure that this is the best hair removal method for you.**

Therapists have to be Local Authority Registered to provide this treatment.
